

Hello!

My name is Berta Lladó and I have currently completed a higher degree in Directing Assistance at the Center d'Estudis Politécnics. I consider myself a hard-working person, responsible and committed to my work. I characterize myself by my positive attitude and with an ability to solve problems effectively. I see opportunities for growth and improvement in this. I characterize myself by my positive attitude and with an ability to solve problems effectively. I see opportunities for growth and improvement in this.

During my academic experience I have developed organizational and planning skills, thus being able to carry out tasks and meet established deadlines. In addition, I am a flexible person and capable of adapting to changes in the work environment.

One of my strengths is my ability to work as a team. I enjoy working with my co-workers, I consider that teamwork is essential to achieve objectives efficiently.

I thank you in advance for considering my candidacy.

I have attached my curriculum vitae for your review and I remain at your disposal for any questions.

Sincerely,

Berta Lladó Morros
